

Southern Exposure Photography does not collect any user specific identifiable information other than that given by a client when determining event date availability or when booking an event. We do not use this information for any purpose other than to allow us to send the client the necessary information required to complete booking the event or to perform the work contracted. We do not resell names or any individual data.

Southern Exposure Photography collects some non user specific information such as the type of browser and operating system used. This information is used to assist us internally to provide the best site design and format for our users. The information is not shared with anyone outside of Southern Exposure Photography . If you have any questions about our privacy policy, please send us a note.
